

Our patients are our top priority and we are committed to you and your child's health and well-being. During this unprecedented pandemic, we are dedicated to providing excellent ENT care in a safe environment for our patients and their families. We closely monitor and comply with all recommendations and instructions of the CDC as well as our local and state health departments.

We are implementing stringent safeguards to protect our patients. These precautions include and are not limited to: COVID19 screening and questionnaires, wearing of PPE by Dr. Respler and all patients and staff, fewer appointments with more time and distance between patients, limited waiting room use for social distancing, rigorous instrument disinfection, thorough cleaning and sanitizing of office areas and surfaces between patients.

While at this time, we do not test for COVID19, to keep our office safe for our patients and staff, we ask that you comply with the following:

- Please do not come to our office if you or a family member in your home has or has had COVID19
- Please do not visit our office if you have a pending COVID19 test result. Please wait until the test results of you and all family members residing with you are negative
- Please do not visit our office if you are experiencing any of these symptoms, but please seek help from your PCP or medical professional, especially if you have multiple or severe symptoms:
 - cough
 - shortness of breath
 - fever above 99.5 degrees F
 - muscle pain or chills
 - headache
 - sore throat
 - loss of taste or smell.
 - upset stomach, vomiting or diarrhea

For the safety and protection of our patients and staff, please adhere to our new COVID-19 protocol:

- Please call our office (201-996-9200) from your car once you arrive in our parking lot. . We will have you complete all forms from your car in order to limit waiting room use and then please wait for instructions from our staff before [entering our building](#)
- You will be screened via questionnaire and/or temperature for COVID-19 illness and/or exposure
- Please wear clean face mask and gloves at all times when visiting our office.
- Please dispose of all masks and gloves once you and your car have left our parking lot.
- Adult patients will be seen by themselves unless accompanied by an essential caretaker.
- Children will be seen accompanied by one parent only.

Thank you for your cooperation in keeping our patients and staff healthy!
